

Electronic signatures made simple

Close deals faster and easier
customized to fit your company brand

Do you have a lot of documents signed?

what if you could do that much more efficiently?

Close deals faster

Forget having to print out, scan or stamp your documents. Your customers sign on their phone, tablet or computer.

Legally valid

The agreements you sign using Stiply are legally valid. There is an audit trail of every transaction as additional evidence

Customised to your taste

Use your own logo and apply your company's corporate identity in Stiply. Add your own Term and Conditions and edit the standard email texts.

Integrate with your software

Integrate Stiply with your own software by using our powerful API or check whether Stiply is already linked to your software supplier.

Direct debit authorisations

Obtain a digital direct debit authorisation after your customer has signed your contract. Stiply works with ABN AMRO, Rabobank and ING among others.

Excellent customer service

The satisfaction of our customers is our highest priority. We always do our very best to help you, so please feel free to get in touch with any questions!
